

PULSE Regional Customer Data

Available on PharmacySatisfaction.com

Ridgefield, CT—The Pharmacy Satisfaction™ PULSE Regional Reports on pharmacy customer satisfaction are now available for download at PharmacySatisfaction.com.

Each complimentary four-page report examines customer satisfaction across several categories—including convenience, pharmacy staff and services—and lists top-ranked pharmacies within each of the following regions:

- South Atlantic/East-South-Central
- West South Central
- Mid Atlantic
- New England
- Pacific
- Mountain
- Midwest

Based on a nationwide study conducted by Vision Critical on behalf of Boehringer Ingelheim Pharmaceuticals, Inc., the findings are based on a representative sample of customers in each respective region.

The PharmacySatisfaction™ PULSE Program strives to help all pharmacy operators learn more about their customers, take steps to enhance customer service and maintain a strong patient care model. Pharmacies can get more information about the Pharmacy Satisfaction™ PULSE program by contacting their Boehringer Ingelheim National Account Director or visiting PharmacySatisfaction.com.

About Pharmacy Satisfaction™

The Boehringer Ingelheim Pharmacy Satisfaction™ Program supports the dialog between pharmacists and patients, helping pharmacists to be valuable resources for their patients and strengthening the pharmacist's role as a trusted and accessible healthcare provider.

No matter what your goals—improving patient counseling, strengthening clinical competencies, increasing patient compliance and adherence, and more—PharmacySatisfaction.com is designed to serve as a one-stop source for customer care and satisfaction.

About Boehringer Ingelheim Pharmaceuticals, Inc.
